

**GATEWAY
INDUSTRIES** INC

Employment, training and support
for people with disability

Founded in 1983 as a community initiative
of the Rotary Club of Dandenong

Gateway

Gateway is a not for profit Australian Disability Enterprise (ADE) which operates as a commercial business providing employment opportunities, training and support for people with disability in the City of Casey and Greater Dandenong areas.

Gateway are approved DSS and NDIS disability service providers and are accredited under the National Disability Employment Services Quality Assurance (DESQA) standards.

We pride ourselves on the quality of our service and workmanship and hold BSI and JAZ-ANZ ISO 9001 certification for processing and servicing at our Dandenong production and manufacturing facilities.

Helping you with your work and life goals

We can assist you at every level of your employment pathway, from leaving school, to gaining education and work experience, to finding and maintaining sustainable employment.

If you have NDIS funding, are receiving a Disability Support Pension, or have a Newstart allowance, Gateway can help you!

Working at Gateway you will join a friendly and professional team who our staff often describe as their “big family”.

You will be given the opportunity to learn and develop new skills and abilities at a working business enterprise and you will receive on the job training tailored to your personal needs and goals.

Our support supervisors can assist you with:

- NDIS pre-planning for your work and career goals

- Personal development & life skills
- Literacy & numeracy skills
- Occupational health & safety training
- Work ethics
- Manual handling and quality practices
- Commercial skills and the use of tools and equipment
- Meeting and business procedures
- Continuing education and qualifications

If you are looking for supported employment or work experience get in touch with us today!

Call: (03) 9793 9988

Email: admin@gatewayindustries.com.au

We will help you arrange a site tour and potentially a work experience trial to make sure that Gateway is the right environment for you.

Helping local business

If you need extra labour to outsource a work project, Gateway can help.

We tailor solutions to your business needs, time frames, and budget with our quality control guaranteed.

Gateway provides quality products and services to a large number of different customers including City of Dandenong, City of Casey, Greenways Retirement Village, Bed Bath & Table, Denso, Gates, Paramark and Calibre Australia.

Our team have significant experience and skills in such diverse areas as:

- Woodwork
- Garden and grounds maintenance
- Litter patrol and bin cleaning
- Processing, packaging and re-packaging
- Product assembly and collation.

Helping your community

If you can help us fund-raise at your work place, sponsor us, or are interested to make a donation to Gateway please contact us:
