Employment, training and support for people with disability.

Issue 1 | Date: November 2017

Our Champion

Frazer started playing basketball 9 years ago when he was at Rossbourne school. He loves playing basketball, and is always out the front shooting hoops and practicing his game. He has represented Australia at The Global Games in September 2015 in Guayaquil, Equador. This will be his second time representing Australia. Frazer is also a member of Vic Metro – Basketball Victoria's ID team. He has represented Victoria 5 times at the National Championships, winning gold on every occasion.

The Australian Men's Basketball team for players with an intellectual disability (Boomerangs) will return to Loano Italy for the 2017 INAS Basketball World Championships in November. The Boomerangs last played in Loano in 2011, where they finished fourth losing the bronze medal playoff to Portugal 46-79.
